

Licensed Electrician

About the Company

Canada Royal Milk is a member of the Feihe International group of companies, Asia's number one infant formula brand. Canada Royal Milk is the only producer of infant formula in Canada, manufacturing quality products from Canadian cow and goat milk, ensuring the highest quality and nutritional value for our customers.

We are an international company with a multicultural workforce that is committed to diversity and inclusion. Our team members value and embrace different perspectives and new ideas.

What We Offer

The opportunity to build and grow a progressive company, competitive wages, and extended health benefits.

What We Look For

Curiosity, commitment to learning, and a winning mindset.

About the Role

The Electrician is a member of Canada Royal Milk's cross functional maintenance and technical support team. The Electrician will maintain and troubleshoot factory equipment from various suppliers to improve and maximize reliability and assist with development and maintaining of key predictive, preventative, and scheduled maintenance programs.

Education: Minimum grade 12 or equivalent education

Certification: A Licensed Electrician with an Ontario Journeyman's Electrical License, 442A or 309A. 442A preferred.

Experience: 4 or more years of experience in a similar role preferably in a continuous process environment; experience in the food manufacturing industry considered an asset

Key Duties and Responsibilities

1. Practice safe working methods as per the Occupational Health and Safety Act & Regulations and Internal Management Policies in order to protect personnel and equipment
2. Develop and maintain factory electrical and controls
3. Develop and maintain electrical controls documentation
4. Maintenance, troubleshooting and repair of High Speed PLC & VFD Controlled Processes and Packaging Equipment
5. Maintenance of electrical Plant Utilities such as lighting and emergency lighting
6. Timely completion of Preventive Maintenance Routines and Work Orders
7. Conduct preventive maintenance on power distribution and automation equipment

8. Advise on problem resolution and the procurement of material and equipment for individual jobs
9. Proactively perform electrical repairs as required and recommend mechanical repairs
10. Improve reliability through accurate control of calibrating process controls and recorders
11. Maintain equipment documentation, ensure work orders and PM sheets are completed accurately
12. Performs all required duties safely, efficiently and within required housekeeping, safety and environmental standards
13. Perform all other duties as assigned

Working Conditions

Canada Royal Milk is a 24 hour a day, 7 days a week operation. Rotating shift work (8.25-12.25h shifts) is required. Shift patterns include days, evenings, weekends, statutory holidays, and over-night work. Employees must be flexible and willing to work a variety of shifts.

Working conditions are normal for a manufacturing environment and include:

- Standing, walking, sitting, kneeling, bending, reaching, twisting and other physically demanding tasks performed for virtually the entire shift (8.25 to 12.25 hours)
- Lifting to 25 kg (55 lbs) frequently
- Use of various chemicals (i.e. detergents and sanitizing solutions)
- Possible exposure to dust, fumes, oils, unpleasant odors, noise levels that are distracting or uncomfortable, occasional exposure to ambient temperatures above 28 Celsius and high humidity
- Exposure to physical risks using standardized safety precautions and equipment, including, but not limited to slippery surfaces, working around high temperature equipment, heavy and repetitive lifting, etc.

Covid-19 Vaccination Policy

The health and safety of our employees and customers is a top priority for Canada Royal Milk. Therefore, applicants will only be considered who are fully vaccinated, subject to human rights considerations and recognized medical exemptions.

Commitment to Diversity & Inclusion

We strive to build a team that reflects the diversity of the community we work in and encourage applications from traditionally underrepresented groups such as women, visible minorities, Indigenous peoples, people identifying as LGBTQ2SI, veterans, and people with disabilities.

If we can make this easier through accommodation in the recruitment process, please contact us at www.canadaroyalmilk.com.
