

Production Sanitation Technician

About the Company

Canada Royal Milk is a member of the Feihe International group of companies, Asia's number one infant formula brand. Canada Royal Milk is the only producer of infant formula in Canada, manufacturing quality products from Canadian cow and goat milk, ensuring the highest quality and nutritional value for our customers.

We are an international company with a multicultural workforce that is committed to diversity and inclusion. Our team members value and embrace different perspectives and new ideas.

What We Offer

The opportunity to build and grow a progressive company, competitive wages, and extended health benefits.

What We Look For

Curiosity, commitment to learning, and a winning mindset.

About the Role

Reporting to Chief Operating and Process Control Officer, the Production Sanitation Technician is responsible for cleaning and maintaining the production areas of CRM. The Technician is also responsible for the safe handling and storage of chemicals as well as stocking and maintaining all sanitation equipment and supplies.

Job Requirements

Applicants must be legally entitled to work in Canada and have strong English language skills. The ability to read and understand written English and communicate in English both spoken and in writing is a requirement of the job.

Education: Highschool diploma or GED required

Experience: One year of relevant experience is preferred, ability to use tools and equipment and ability to perform the physical aspects of the job

Key Duties and Responsibilities

1. Sweep, vacuum, and mop floors, platforms, and other surfaces.
2. Clean and sanitize railings, handles, doors, and other high contact surfaces.
3. Remove all garbage to the designated areas.
4. Scrub and sanitize shoes as required.

5. Stock and maintain cleanliness and organization of all janitorial areas on the production floor.
6. Read, understand, and adhere to all chemical labels and Safety Data Sheets (SDS) for proper, safe handling and storage.
7. Identify, recommend, and implement equipment and process improvements.
8. Perform regular daily routines with little or no direct supervision.
9. Complete all required documentation using good documentation practices.
10. Maintain a safe and secure work environment by complying with company policies and procedures including GMP, HACCP and safe working procedures.

Working Conditions

As a dairy processor and infant formula manufacturer, CRM strives to exceed regulatory requirements for food safety, quality, hygiene, and good manufacturing practices. All employees who enter the processing areas for any reason must comply with all food safety protocols in addition to health and safety best practices.

Working conditions are normal for a manufacturing environment and include:

- Standing, walking, kneeling, bending, reaching, twisting and other physically demanding tasks performed for virtually the entire shift.
- Use of various chemicals (i.e. detergents and sanitizing solutions).
- Possible exposure to dust, fumes, oils, unpleasant odors, noise levels that are distracting or uncomfortable, occasional exposure to ambient temperatures above 28 Celsius and high humidity. All relevant Personal Protective Equipment (PPE) will be provided.
- Exposure to physical risks using standardized safety precautions and equipment, including, but not limited to slippery surfaces, working around high temperature equipment, heavy and repetitive lifting, etc.

Covid-19 Vaccination Policy

The health and safety of our employees and customers is a top priority for Canada Royal Milk. Therefore, applicants will only be considered who are fully vaccinated, subject to human rights considerations and recognized medical exemptions.

Commitment to Diversity & Inclusion

We strive to build a team that reflects the diversity of the community we work in, and encourage applications from traditionally underrepresented groups such as women, visible minorities, Indigenous peoples, people identifying as LGBTQ2SI, veterans, and people with disabilities.

If we can make this easier through accommodation in the recruitment process, please contact us at careers@canadaroyalmilk.com.
